      c. Elaine advised the RFP went to purchasing on 10/9/12, should be posted on-line by 10/15/12, with vendor responses due on 11/12/12. Final selection will be made by the end of January with implementation effective on 7/1/13.

5. CAT Leave and Gap Policy  
   a. Hans Barsum presented a brief overview of the CAT Leave, STD and LTD benefits. This is a high interest topic for staff. The need to assess UNM’s ability to develop a gap fill policy was discussed. Request was re-made for HR to research what (if) other Universities are doing to help employees who are caught in the gap between benefit plans. Elaine advised that once research is completed HR will need a FSBC recommendation on the plan to vet to see if it is feasible for UNM to develop and implement a program. It was noted that this has been an agenda item for some time, is a particularly difficult area to research, and that the committee needs to develop an action plan.

   b. Agenda item November meeting. It was requested that HR update responses based on FSBC recommendations and distribute the updated response to the FSBC at least a week prior to the November meeting.
