3rd Annual Student Face Challenge

Employee Health Promotion is hosting the 3rd Annual Student Face Challenge on April 20, 2017

Come out, see our students, and help us have fun. A great way to meet and say hi to students who are here or take a break here and make sure they feel ready for the challenge! Get your photo taken - the event offers a woven sketch, beginning in March, in the Library or at the Student Union. Students can use the sketch as a basis for their face, and their classmates on Instagram to vote for the best. Faculty/staff/PPL can also have their photo taken. Entries will be displayed at the Library and in the Student Union.

Check out the student art created in honor of the challenge on the Libraries Facebook page.
