October HSC PAWS Nomination:

Catherine (Katie) Fletcher

Katie is responsible for OB-GYN HR functions and supervises many of the administrative support staff. Her nominator says she manages to do her job with a positive attitude and a smile on her face and they are very lucky to have such an amazing staff member on our team. She puts the needs of the departments constituents first, whether be a patient, faculty, staff or a co-worker. She is always happy and that is infectious!

HSCS OFFICE SUPPLY EXCHANGE

Come and visit the Office Supply Exchange! Bring your gently used items, or come see what others have left for you! The supply exchange is located in the HSC Copy Center in the basement of Fitz Hall, and is open 8-10 am and 1-3pm.

MEDITATE TO MANAGE STRESS

Meditation is a potent antidote for our busy, hyper-stimulated lives -- and it has proven benefits for physical and emotional health. Faculty, staff and students are welcome to join the HSC meditation group, which meets Mondays and Fridays from noon to 1 p.m. in room 2403 of the North Building in the Domenici Center for Health Sciences Education. No prior experience is necessary (newcomers' instruction is available).

For more information, please contact Michael Haederle (mhaederle@salud.unm.edu).

HSCS Committee Charge

As a standing committee of the UNM Staff Council, the HSCS Committee carries out the missions of the Staff Council as they relate to staff within the Health Sciences Center (HSC). The Committee collaboratively develops and implements activities, initiatives, and proposals that improve the lives of staff within the HSC, and enhances the visibility and recognition of the important role staff play in the overall success of the HSC. Membership on the committee is restricted to, and optional for, HSC staff.
