PAWS Award for July 2020
The Staff Council is pleased to announce the awardees for the July PAWS! Rosemary Melendez

Rosemary is a Security Supervisor with UNM PD and also a former (2014) recipient of the Gerald W. May Outstanding Staff Award! The picture featured is Rosemary with President Stokes and Security staff at the 2019 Safety Walk. Please help us thank and congratulate this wonderful staff member for their unyielding commitment to UNM! The PAWS (People Appreciate Wonderful Staff) Award is presented each month to staff employees who provide exceptional service to the UNM community. This employee exemplifies University values and shows initiative outside of their job scope.

The Staff Council Rewards and Recognition Committee selects a recipient from candidates nominated each month by members of the UNM community. The deadline for nominations is the last Friday of each month at 5:00PM. Click here to access the nomination form.

PATS LIMITED OPERATIONS IN RESPONSE TO COVID-19

SHUTTLE SERVICE 6/4/2020: Effective June 5, 2020, the following shuttle routes are on regular summer semester schedule from 6:30 a.m. to 7:00 p.m., Monday- Friday:

- G/Q/(U) Shuttle route
- Redondo Shuttle route
- SSSC Shuttle route
- UNMH 1925 Phase 1 Construction of the New UNM Hospital Tower and Patient Parking Structure on North Campus

This is a reminder that the Phase I construction for the new UNM Hospital Tower and Patient Parking Structure is underway. This is an update from the communication sent on July 17, 2020:

A portion of the sidewalk located along the south side of Innovation, Discovery and Training Complex (IDTC) and Novitski Hall buildings will close on Wednesday, August 12 and will remain closed until further notice. The closure is to facilitate the realignment of Camino de Salud between Yale Blvd. and its terminus at the Richardson Pavilion. Please follow detour signage and plan ahead to avoid this area. A map indicating the closure, highlighted in yellow, is attached for your reference.

UNMH is taking steps throughout the Phase I work to help mitigate potential traffic and access issues in the area. Please be aware that the Phase II construction activities are scheduled to start in December 2020. UNM PATS will continue to send out notifications as we are made aware of any additional changes in the project, including utility outages, parking lot and/or road closures.

Please plan for extra time in your commute and be aware of workers while in the area.

Please call UNM PATS if you have any questions. 505-277-1938

The HSC Staff Mentorship Program

**Due to the on-going COVID-19 crisis and the limited services available on campus, the 2020 HSC Staff Mentorship Program has been postponed until a later date.

Get Your Free Flu Shot to Protect Our Pack
This year, The University of New Mexico’s office of Benefits & Employee Wellness is encouraging all employees, including faculty, staff, and students, to take advantage of no-cost flu shots available in the community. The flu vaccine has been shown to reduce the risk of having to go to the doctor with flu by 40 to 60 percent. A flu shot protects you, your family, and the Lobo pack. There are many options for the UNM campus community, including drive-thru clinics available through October 31, and walk-up clinics offered October 20 and October 21. Additional options are also available for faculty and staff enrolled in a UNM medical and prescription drug plan. You can learn more about the flu shot and options for faculty, staff, and students at our 2020 Flu Shot webpage

Tentative Reopening of Johnson Center and Seidler Natatorium Scheduled for October 12
Johnson Center’s recreational facilities and Seidler Natatorium are tentatively scheduled to reopen on October 12, 2020

Also, during this first phase, it is anticipated that Johnson Center and Seidler Natatorium will only be available to UNM students, faculty, and staff. Depending on demand, reservations for fitness equipment might be required. For more information follow https://recservices.unm.edu/ Lobos! Need a new way to stay active during quarantine? Try the Rec Services daily challenges! These quick workouts are short, high intensity, and can be done with minimal equipment. Add them into your current routine or use them as a starting point. - Reading
- Healing Music

All Health System staff and providers are welcome to participate. Please see the attached flyers for additional information about each location. BBRP, 1650 University and Mental Health Center!

**Community and Connection During COVID-19 Humans Need Connection**

Medical evidence now shows that when humans honor their innate need for social connection, they become less vulnerable to anxiety, depression, dementia and other psychiatric conditions. We also build a vibrant, more meaningful life. Humans need connection, it is as simple as that. To read more about Staying Connected While Socially Distanced, please visit https://hsc.unm.edu/about/wellness/covid-19/connection-community.html
