IX. Unfinished Business:

a. Bylaw Amendment: no maximum limit (Article V: Committees; Section 3. Standing Committees; B): Minimum membership on standing committees will be three staff employees, one of whom must be a voting member of the Council. There is no maximum number of members on standing committees.

Councilor Bustamante moved to add the sentence “There is no maximum number of members on standing committees.” to Article V: Committees; Section 3. Standing Committees; B. Motion was Seconded.

In discussion and debate, Bustamante moved to amend the motion to add after “There is no maximum number of members on standing committees”, “No individual may limit the number of members submitted by committee chairs on standing committees.” After consultation with Parliamentarian Hathaway, the Speaker determined that the amendment was out of scope of the notice given last month, and for this to be added to the bylaws it needs to be brought forth as a separate notice and question.

Discussion and debate continued on the unamended motion, after which the motion was lost.
b. **Bylaw Amendment: committee chair or designee (Article V: Committees; Section 1. General; F):**

President Elect Ortiz moved that Staff Council approve the bylaw Article V: Committees; Section 1. General; F to say: Members of University-wide committees, and the chairpersons of Staff Council committees or their designees shall make monthly reports, first to the Executive Committee and then to the Staff Council. Such reports may be oral or written as directed by the Executive Committee or the Staff Council. Motion was seconded. With unanimous consent the motion was adopted.

Faustino moved to amend the amendment to strike “/visual portions”. Motion was seconded. It was discussed and debated.

Councilor Gallegos moved to postpone to next meeting. Motion was seconded. With unanimous consent, the motion was adopted. The Council will continue discussion and debate at the motion to amend the amendment to strike “/visual portions” at the August meeting.
