Spring 2021 - Staff as Students

UNM Division of Enrollment Management

As always, the Registrar’s Office stands firm in its commitment to support ALL UNM students in continuing the pursuit of their educational goals.

While we will miss the opportunity to interact with our fellow staffers that is usually afforded by the Staff-as-Students event, the opportunity for early registration is still available to staff by following these guidelines:

Beginning on March 29th, staff (already admitted to UNM) may send an email, from their @unm.edu email account, to Dept_Update-L@list.unm.edu to request that Records and Registration configure their account to enable Early Registration.

The email must include
- Staff member’s full name
- Staff member’s UNM ID #
- Confirmation if requesting registration on the 2021 Summer Term
- Confirmation if requesting registration on the 2021 Fall Term

When the request has been completed, confirmation will be provided by REPLY to the sender.

The early registration access becomes available at 8:00 a.m. on April 5, 2021 and will end at midnight on April 12, 2021.

Beginning March 29 through April 12, staff who are not yet admitted to UNM should submit an application for admission at apply.unm.edu. Select “Mail In Payment” at the end of the application and submit. Then, email Deborah Kieltyka from your .unm.edu email account to request your Staff As Students fee waiver. Admissions supports those staff who want to participate in early registration but have not yet been admitted or require readmission to UNM.

Staff who have holds preventing registration will need to clear those before they will be able to register.

UNM Bursar’s Office & Cashiers Department

While we will miss the opportunity to interact with our fellow staffers during the Staff-as-Students event for Spring 2021, the Bursar’s Office is committed to support employees who may have questions on tuition remission. You will find Tuition Remission information at http://bursar.unm.edu/billing-payments/tuition-remission.html. In order to benefit from the early Registration for Spring 2021 your account balance with the Bursar’s Office must not be past due. Employees with a past due balance will not be able to register during Staff-as-Students. Submittal of Summer 2021 or Fall 2021 tuition remission forms or questions concerning tuition remission should be sent to tuiremission@unm.edu.

Please see these links for more information on Tuition Remission.
